NASHCUP 2013

\$15,000 PSA Challenger +15
\$5,000 WSA Tour 5

September 16th to 22nd, 2013

London Squash & Fitness Club welcomes you to the 6th annual NASH Cup Professional Squash Tournament. Players have come from around the world to compete for the \$15K PSA, and new \$5K WSA purses (and points toward their world rankings). Australia, Bahamas, Chile, Czech Republic, Egypt, England, France, Malaysia, The Netherlands, New Zealand, Pakistan, The United States are all represented, as well as players from across Canada. It should be an incredible show.

As in the past, the court tins on courts 1 & 2 have been adjusted to 17 inches – 2 inches lower than the normal amateur tin levels. Players will complete in a par 11, best 3 of 5 format. The region's top referees have been brought in to make the tough calls.

It is important to recognize all our sponsors (page 16) and the dedicated committee that began work on this event back in January (see page 15). Without their support this week could never happen.

Thank you to those who have purchased tickets and entered the amateur draws.

With your support we look forward to many more years of hosting, and growing, this wonderful event.

Sincerely,

Jay Nash Tournament Host

UNIVERSITY SQUASH

London Squash & Fitness Club (LSFC) was founded in September 1966, and officially opened in October 1966 with exhibition matches involving many of the top-ranked Canadian and world players. Today, LSFC includes four international singles courts (2 glass-backed), and one glass-backed North American doubles court.

LSFC is a private non-profit corporation owned and managed by its members. The orientation of the club is toward good fellowship through the sport of squash. Members are encouraged to participate in both on-court and off-court activities, including special exhibition squash matches, feature parties and events, club tournaments and other activities.

Much of the success of LSFC stems from its membership. As a private club, fully devoted to squash, a special camaraderie exists among the men and women of LSFC, because of the members' involvement in, and commitment to, the ongoing growth and development of the club and the sport.

Nestled in London's historic Old North, LSFC was originally a large family home. This gives the club a feeling of warmth and friendliness not found in more conventional clubs.

In 2011 the building underwent renovations to strengthen its position as the premier squash and fitness facility in the region.

Board of Directors – 2013 Executives

- Ross Bentley – President
- Marcus Plowright – Past President
- Mark MacDonald – Vice President
- Murray Shaw – Treasurer
- Lindsay Smith – Secretary
